

Tamarack Garlic Farm - 2020 Variety Information

www.tamarackgarlicfarm.com

Variety	Subspecies	Avg. Cloves/ bulb	Avg. Cloves/ lb.	Culinary Uses	Flavors	Notes
Chesnok Red	Purple Stripe Hardneck	10-12	64	Baked Dishes & Roasting	Mild mellow aftertaste, turns sweet when baked.	Superb for cooking, holding its flavor and offering a distinctive, lingering taste for the garlic connoisseur. From Republic of Georgia.
Persian Star	Purple Stripe Hardneck	8-10	56	All-Purpose Garlic	Pleasant garlicky flavor with a mild spicy zing.	Long points on cloves in bulb resemble 8 pt star. Originally from Russia.
Georgian Fire	Porcelain Hardneck	6	48	Salsa, pickling, raw in dishes	Great bulbs of fire! Hot flavor when raw. Rich & robust garlic flavor when cooked.	Started in the Republic of Georgia; large bulbs; tall plant.
Great Northern White	Porcelain Hardneck	6	48	Grilling, baking; All-Purpose, especially good with seafood & chicken	Robust & Medium-heat.	Large cloves & large bulbs. From Northern Germany.
German Extra Hardy	Porcelain Hardneck	5	40	Excellent all around table variety.	Strong flavor that mellows some when cooked.	Easy to peel jumbo cloves. Grows well in the upper midwest. From Germany.
Romanian Red	Porcelain Hardneck	4-6	40-45	BBQ sauces, marinades, or pickles.	Pungent bulb adds heat and flavor to any recipe. Very high in allicin content	Big plump cloves. Great with meats. Native to Romania.
Bogatyr	Marbled Purple Stripe Hardneck	5	32	Italian Dishes, garlic bread	Pleasant spicy & hot. Heat doesn't last long, so can be used in raw dishes. We recommend this garlic to eat raw for medicinal benefits	High in allicin content. Slow start then the heat builds, followed by a pleasant and lingering aftertaste, From Germany & Ukraine.
Tamarack	Rocambole Hardneck	6	48	All Purpose	Bold garlic flavor	Rocambole garlic variety grown in Wisconsin for several generations.
Russian Red (Not Available in 2020)	Rocambole Hardneck	6-8	52	Add to soups, pasta, pizza, dips, either raw or lightly cooked.	Remarkable depth of flavor- up front heat that is long-lasting like a hot pepper, yet finishes with a warm, sweet aftertaste.	Have found it performs well in cold climates, while handling wetter winter soils.
